---

Retaining Wall Construction & Rendering

---

Garden Bed Construction & Rendering

---

With over 20 years of hands-on expertise, from rejuvenating homes to enhancing commercial facades, Shannon delivers plastering and rendering services to residential and commercial clients. As a sole trader, Shannon has forged strong relationships across the building industry, having worked with leading construction companies including Dale Alcock Homes and Tallwood Custom Built Homes.

Your vision,  
our expertise

*"Every property tells a story.  
My job is to help you enhance it -  
beautifully and durably"*

**Shannon Whitby**  
Owner-Operator, Yamatiji Plastering

# Key Services

## Plastering & Rendering Services

### Internal Plastering Float and Set

A two-coat traditional plastering method ideal for brick or block walls:

**Float:** Cement or hardwall base for strength and structure

**Set:** Smooth white set finish ready for painting

Ensures even surfaces and a flawless look

### External Cement Render Sand Texture

Durable and visually appealing cement rendering ideal for exterior surfaces:

Flat, weather-resistant finish

Enhances wall integrity and curb appeal

Suitable for both painted and face brick walls

## Painting Services

### Interior Painting Refined Finish

Surface preparation: cleaning, sanding, filling & priming:

Use of premium, low-VOC, eco-friendly paints

Custom finishes and expert colour consultation

Flawless, durable finish for any indoor space

### Exterior Painting Built to Endure

High-performance paints for UV and weather protection:

Surface prep for strong paint adhesion

Tailored solutions for traditional and modern facades

Enhances exterior beauty while withstanding the elements

## Outdoor Spaces Minor Building Works

### Retaining Wall Construction & Rendering

---

Practical solutions to manage  
landscape and erosion

---

Customised to match  
property style and layout

---

Adds functionality to  
outdoor spaces

---

Improves visual interest to  
gardens or yards

---

### Garden Bed Construction & Rendering

---

Clean, functional, and  
decorative raised beds

---

Tailored to suit the existing  
aesthetic

---

For cohesive landscaping

---

Long lasting durable finishes

---

## Refurbishment Services

---

From single room upgrades  
to property transformations

---

Modernising interiors and  
exteriors

---

Structural and aesthetic  
improvements

---

High-impact makeovers that  
increase property value

---
